

§61.7

36 CFR Ch. I (7–1–14 Edition)

historic preservation programs, and historic preservation in general.

(3) Maintain a system for the survey and inventory of historic properties. The SHPO must ensure that such systems and the data that they produce are capable of integration into and are compatible with statewide inventories and (when and as appropriate) with State and local planning processes.

(4) Provide for adequate public participation in the local historic preservation program as a whole. The SHPO must provide each CLG with appropriate guidance on mechanisms to ensure adequate public participation in the local historic preservation program including the process for evaluating properties for nomination to the National Register of Historic Places.

(5) Satisfactorily perform the responsibilities delegated to it under the Act. The SHPO must monitor and evaluate the performance of each CLG according to written standards and procedures that the SHPO establishes. If a SHPO's evaluation of a CLG's performance indicates that such performance is inadequate, the SHPO must suggest in writing ways to improve performance. If, after a period of time that the SHPO stipulates, the SHPO determines that the CLG has not improved its performance sufficiently, the SHPO may recommend that the Secretary decertify the local government. If the Secretary does not object within 30 working days of receipt, the Secretary has approved the decertification.

(f) Effects of certification include:

(1) Inclusion in the process of nominating properties to the National Register of Historic Places in accordance with sections 101 (c)(2)(A) and (c)(2)(B) of the Act. The SHPO may delegate to a CLG any of the responsibilities of the SHPO and the Review Board in processing National Register nominations as specified in 36 CFR part 60 (see also §61.4(b)(3)), except for the authority to nominate properties directly to the National Register. A CLG may make nominations directly to NPS only when the State does not have an approved program pursuant to §61.4.

(2) Eligibility to apply for a portion of the State's annual Historic Preservation Fund (HPF) grant award. Each State must transfer at least 10 percent

of its annual HPF grant award to CLGs for historic preservation projects and programs in accordance with the Act and as §61.7 specifies.

(g) The District of Columbia is exempt from the requirements of this section because there are no subordinated local governments in the District. If any other jurisdiction that section 301(2) of the Act defines as a State believes that its political subdivisions lack authorities similar to those of local governments in other States, and hence cannot satisfy the requirements for local government certification, it may apply to the Secretary for exemption from the requirements of this section.

(h) *Procedures for direct certification by the Secretary where there is no approved State program pursuant to §61.4.* To the extent feasible, the Secretary will ensure that there is consistency and continuity in the CLG program of a State that does not have an approved State program.

(1) Where there is no approved State program, a local government wishing to become certified must apply directly to the Secretary.

(2) The application must demonstrate that the local government meets the specifications for certification set forth in paragraph (e) of this section.

(3) The Secretary will review certification applications under this paragraph (h) and take action in a timely fashion generally within 90 days of receipt.

§61.7 Subgrants to certified local governments.

(a) Each SHPO must transfer at least 10 percent of its annual Historic Preservation Fund (HPF) grant award to CLGs as subgrants for historic preservation projects and programs in accordance with the Act. In any year that the annual HPF State grant appropriation exceeds \$65,000,000, SHPOs must transfer one half of the amount over \$65,000,000 to CLGs according to procedures that the Secretary will establish.

(b) Each CLG is eligible to receive funds from the 10 percent (or greater) CLG share of the State's total annual HPF grant award. However, the SHPO need not award funds to all CLGs.

National Park Service, Interior

§61.11

(c) Each SHPO must maintain and follow a procedure that the Secretary approves for the use and distribution of funds from the State's annual HPF grant award to CLGs to ensure that no CLG receives a disproportionate share of the allocation. The procedure will provide a clear basis for the funding decisions. The SHPO must submit any proposed amendment to its procedure to the Secretary for approval. The Secretary will respond to such a proposal in a timely fashion generally within 45 days of receipt.

(d) Each SHPO must notify annually each CLG of its opportunity to apply for HPF funding as well as what is entailed in the application and project selection process.

(e) Each CLG receiving an HPF grant award from the CLG share is a subgrantee of the State. The SHPO must ensure that each CLG adheres to all applicable grant conditions and government-wide and program specific requirements that the National Park Service issues. The SHPO may require specific uses of funds subgranted to CLGs. CLGs may not apply subgranted HPF monies as matching share for any other Federal grant.

(f) Where there is no approved State program pursuant to §61.4, the Secretary will determine the method for allocating funds to CLGs in that State in accordance with the procedures set forth for the State in this section. To the extent feasible, the Secretary will ensure consistency and continuity in the funding allocation policy of the CLG program for a State that does not have an approved historic preservation program.

§61.8 Tribal programs. [Reserved]

§61.9 Grants to tribal programs. [Reserved]

§61.10 Waiver.

The Secretary may waive any of the requirements of the rules in this part that are not mandated by statute or by other applicable regulations if the Secretary finds, in writing, that the historic preservation program would benefit from such waiver and the waiver would not compromise the purposes, conditions, and requirements of the

National Historic Preservation Act of 1966, as amended.

§61.11 Information collection.

(a) The Office of Management and Budget (OMB) under 44 U.S.C. 3507 *et seq.*, has approved the collection of information contained in this part. OMB has assigned clearance number 1024-0038 to this collection of information. The National Park Service (NPS) collects this information as part of the process for reviewing the procedures and programs of State and local governments participating in the national historic preservation program and the Historic Preservation Fund grant program. NPS will use the information to evaluate those programs and procedures for consistency with the National Historic Preservation Act of 1966, as amended, and compliance with government-wide grant requirements. The obligation to respond is required to obtain a benefit under these programs. Note that a Federal agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. NPS provides no assurance of confidentiality to respondents with the exception of locational information concerning some properties that government historic preservation property inventories include. Pursuant to section 304 of the National Historic Preservation Act of 1966, as amended, NPS tightly controls release of information when such release could have the potential of damaging those qualities which make a property historic.

(b) We estimate the public reporting burden for the collection of this information to average 14.06 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to Ms. Diane M. Cooke, Information Collection Officer, National Park Service, 1849 C Street NW, Washington, D.C. 20240 and to the Office of Management and Budget, Office of Information
